**An adaptive worship service for individuals with special needs and their families and friends. Supper to follow.**

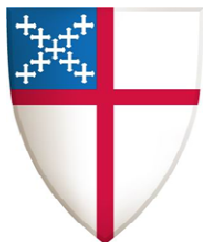

**First Sundays of the month, at 4 PM**

**Parish Hall of Church of the Resurrection, Vineland**

**What is adaptive worship?** Adaptive worship welcomes all forms of physical and vocal response. This service will have scripture and storytelling that includes spoken and visual cues, therapeutic play for the response, and a simplified prayer for Holy Communion. Gathering and dismissal rituals will help with transitioning. This family worship service is offered for those for whom conventional worship may be difficult, including those on the Autism Spectrum.

**For further information, please contact  
the Rev. Ellen Rutherford at 609-319-9234.  
We look forward to sharing this time with you.**
